MHS CHEERLEADERS

JANET KING ★

BLANCH REIFER

CINDY RUDOLPHY

KATHY TUMPANE

KATHY STANDAGE

BLANCHE REIFER is 16 and is a Junior. Last year she was a member of the junior varsity. Everyone is in agreement that she is the acrobatic portion of the squad. She says Madrid has the best squad of all and this year will be even better.

KATHY STANDAGE, the height and the youth of our squad, is fifteen years old and is also a Junior. Last year she was also a member of the varsity squad. She's been cheering for three years. She thinks cheerleading is a good way to meet people and have a lot of fun.

CINDY RUDOLPHY is a short 16 year old junior who, is full pep and enthusiasm. This is her fourth year of cheerleading. Last year she was not only a junior varsity member but also was lucky enough to move up to a varsity position. Cindy's feelings about cheerleading are that this school needs a lot more spirit and enthusiasm and this years cheerleaders will do their best to try to fulfill that need.

KATHY TUMPANE is the worker of the squad. She's bubbling with determination. Kathy has only had one

year of cheering experience and that was as a junior varsity member. This year this 16 year old junior has made the varsity squad and feels that cheerleading is the best way that she can promote spirit in the school.

JANET KING is the our 17 year old captain. She is a senior and also the oldest member of the squad. This is Janet's fifth year of cheering. She is quite good at all the phases of cheerleading and we all feel she rightfully deserves the title of captain. This year Jan plans to try and lead the team to victory through boosting the team's spirit and trying to get across to the rest of the students a feeling of pride in their school knowing that Madrid is the best.

IRIS BUCHANAN, the cheerleaders mother, is 17 years old chosen because of her compatibility with people and her interest in cheerleading. This is Iris' first year at being manager. She says she will do her best to make everything fall in line and boost the spirits of the squad.
